

Welcome on our website!

This is a one-page leaflet for our international visitors that like to know more about our church, our denomination, and our activities.

Who we are

We are a small reformed church in Massy-Antony, a suburb south of Paris (France). Officially, our name is the '*protestant reformed evangelical church*', which reflects our beliefs as a reformed presbyterian church. Our current pastor is Mr. Philippe Girardet and we are part of the UNEPREF denomination. Our church is characterized by strong biblical beliefs and the large diversity of our members.

What is UNEPREF

UNEPREF (formerly UN-EREI) is the denomination of 'confessing' reformed churches in France. It consists of fifty

churches that did not join the 1938 merger into the protestant church of France. Predominantly concentrated in the south of France, these churches use the Apostles Creed, the Nicene Creed, the French Confession of Faith and the 1872 Declaration of Faith as their confessional basis. Internationally it belongs to the World Communion of Reformed Churches (WCRC).

What we do

Sunday services. Each Sunday morning we meet at 10.30am for our weekly service, which consists of reading, preaching, prayer, and singing.

Bible studies. Except for holidays, bible studies are organized each Wednesday night at 7.30pm.

Other activities. Some of our activities are not all-year round or occur on an ad-hoc basis. Catechesis is organized during the

fall if there are enough participants. We also have a choir for special occasions.

How to join us

We would love you to join at our Sunday services!

We meet each Sunday at 10.30am at our building (7 allée des Scandinaves, 91300 Massy). There is no formal dress code and we don't mind if you are ten minutes late or if your children make some noise.

By car. Parking is available just around the corner (at 2 avenue des Irlandais, 91300 Massy). From there, it is a two-minute walk to our building.

By public transport. From Paris, take RER-B to Les Baconnets (directions Massy-Palaiseau or St-Remy-les-Chevreuses).

See next page for a map and more details.
